

# AUTO TECH, FORD AUTOMOTIVE STUDENT SERVICE EDUCATIONAL TRAINING (ASSET) PROGRAM, ASSOCIATE OF APPLIED SCIENCE

---

policies of the clinical/external learning sites to engage in all clinical/external learning experiences. Vaccination requirements at clinical/external learning sites are implemented pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by clinical/external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the clinical/external learning site.

## Information

The Ford ASSET program streamlines the path to becoming a highly trained automotive technician to less than two years. In the Ford ASSET program you will alternate between San Jacinto College, a Ford ASSET College, and hands-on work experience at your sponsoring dealership. Ford ASSET instructors are Ford-trained and in touch with the latest automotive trends. You will be learning from the best. Learn how to identify, analyze, and solve complex automotive problems. Theory and practical application will come together as you spend time working on actual customer vehicles. Ford Motor Company requires Ford ASSET instructors to have the latest high tech training available. Ford ASSET Colleges are ready to provide the most current training available in the industry. As a Ford ASSET student you will complete between 80-100% of the Ford training required to become a Ford certified technician. The more you train, the more valuable you become as an employee. Ford Motor Company donates new vehicles to its Ford ASSET Colleges. This ensures that you are training on the latest vehicle technology. If you are training on 10 year old vehicles, your training is already 10 years out of date. All Ford ASSET Programs including San Jacinto College are accredited by the National Automotive Technicians Education Foundation (NATEF). This accreditation ensures that your training will meet or exceed industry standards. All Ford ASSET instructors must be certified by the National Institute for Automotive Service Excellence (ASE) before they are allowed to teach in any Ford ASSET classroom. Students interested in the Ford ASSET program are required to meet with the ASSET coordinator or Department Chair before registering for automotive classes.

Students enrolling into San Jacinto College programs with external learning experiences (i.e., clinical, practicum, externship, cooperative, etc.) will be required to comply with the immunization requirements and
