LOGISTICS AND SUPPLY CHAIN MANAGEMENT, CERTIFICATE OF TECHNOLOGY

competency-based education (CBE)

CBE is defined as courses in which all instruction and class activities are fully online. Progression through the course is determined by the student's mastery of the competencies assigned to that course.

San Jacinto College is introducing CBE in the Logistics and Supply Chain Management, Certificate of Technology (4LOG-MGMT) in several courses that constitute 12 of the 15 semester credit hours in the first term of this certificate:

Code	Title	Credits
