

# LOGISTICS AND SUPPLY CHAIN MANAGEMENT, CERTIFICATE OF TECHNOLOGY

---

San Jac Online

## Program information

Want to see the busiest and most profitable marketplace society has ever built? Just take a look around you! We live in a global economy. International trade is how tens of thousands of companies function, from huge corporations to small shops. Become a vital link in this chain of commerce with a degree from San Jacinto College. Our program teaches you the complexities of successfully operating in the logistics community. You may decide to become an importer-exporter or enter the fast-changing world of wholesale and retail buying or one of the many other options that a degree from San Jacinto College opens for you!

The San Jacinto College Logistics and Supply Chain Management program:

- Is designed to prepare students for careers in transportation industries, international logistics, and global supply chain management industries;
- Offers a solid foundation in import/export management processes, world economics, licensing and documentation, US Customs regulations, and political-legal factors in the foreign trade environment;
- Teaches students about international purchasing and sourcing, international marketing strategies, monetary systems, international and domestic transportation and logistics, organizational culture, and global maritime management; and
- Provides field experience that offers hands-on experience as logistics interns with companies in the Greater Houston area.

## career opportunities

Graduates of this program will work as specialists in:

- Importing and exporting,
- Trade compliance,
- The United States government,
- Freight forwarding,
- Custom brokering,
- Ocean/truck/rail/air transportation,
- Logistics, and
- Retail and wholesale representation.
