

EDUCATIONAL AIDE, OCCUPATIONAL CERTIFICATE

San Jac Online

Program Information

Do you have a passion for shaping the future? Do you desire to inspire the youth around you because of your passion? If so, San Jacinto College's Child Development program is designed for students like you who want to have a profound, positive effect on society through our children. Our program offers the knowledge and technical skills you need to enter the child development profession and serves as a launching pad to a four-year bachelor's degree program in education. Are you ready for the future?

San Jacinto College designed the Child Development/Early Childhood Studies program to develop basic skills, attitudes, and competencies necessary for personnel to provide high-quality care in a variety of early childhood programs.

Career Opportunities

Students who receive an Occupational Certificate (OC) in Educational Aide pursue careers in:
