

# CANCER DATA MANAGEMENT, ADVANCED TECHNICAL CERTIFICATE

---

## **Admission Criteria**

Students are admitted annually into the Cancer Data Management program. In addition to the general admission requirements of San Jacinto College, prospective students must meet the Cancer Data Management admission criteria.

Candidates applying for admission into the Cancer Data Management Advanced Technical Certificate program must already hold a minimum of an associate degree.

The Cancer Data Management Application Packet can be accessed on the San Jacinto College website (<https://www.sanjac.edu/programs/areas-of-study/health/cancer-data-management/>).
