CANCER DATA MANAGEMENT, ADVANCED TECHNICAL CERTIFICATE

Admission Criteria

Students are admitted annually into the Cancer Data Management program. In addition to the general admission requirements of San Jacinto College, prospective students must meet the Cancer Data Management admission criteria.

A criminal background check is required of all program students and must be submitted prior to enrollment in the clinical course. Documentation of immunity to Measles, Mumps, Rubella, and Varicella, completion of the Hepatitis B series, and annual Tuberculosis screening are also required prior to enrollment in the clinical course. Drug screening may be required by the clinical site.

Candidates applying for admission into the Cancer Data Management Advanced Technical Certificate program must already hold a minimum of an associate degree.

The Cancer Data Management Application Packet can be accessed on the San Jacinto College website (https://www.sanjac.edu/programs/areas-of-study/health/cancer-data-management/).
