

# CANCER DATA MANAGEMENT, ASSOCIATE OF APPLIED SCIENCE

---

## Admission Criteria

In addition to the general admission requirements of San Jacinto College, prospective students must meet the Cancer Data Management Program admission criteria. The CDM Program conducts ongoing reviews of applications. Program admissions are granted throughout the year.

**Students may access the Cancer Data Management Application Packet on the San Jacinto College website (<https://www.sanjac.edu/programs/areas-of-study/health/cancer-data-management/>).**
