

NURSING, BACHELOR OF SCIENCE (RN-TO-BSN)

Program Objective

Do you desire an advanced practice or leadership position in nursing? Do you want higher-level skills to respond better to the demands of today's evolving health care system? San Jacinto College's Bachelor of Science in Nursing (RN-to-BSN) program may be perfect for you!

The one-year BSN program is for the working registered nurse (RN with an associate degree) who wants to advance within the profession. The program follows an eight-week course model, building on previous education and experience while providing face-to-face and distance learning opportunities that accommodate an employed RN's schedule.

The BSN program is learner-centered, focusing on student engagement, self-directed learning, and appreciative inquiry. The program's primary concepts include:

- Community health nursing,
- Nursing research,
- Public and global health policy,
- Informatics, and
- Leadership.

Program Accreditation

The BSN program is accredited by

The Accreditation Commission for Education in Nursing (ACEN)
3390 Peachtree Road NE, Suite 1400
Atlanta, Georgia 30326

Office: 404-975-5000
Fax: 404-975-5020

Approved by:

Texas Board of Nursing
1801 Congress Avenue, Suite 10-200
Austin, Texas 78701

RN-to-BSN Program Expected Level of Achievement (ELA)

1. RN-to-BSN Program will transition from hybrid delivery to 100% online delivery by the end of the 2023 academic year.
2. Increase enrollment by 5% for the upcoming academic terms (fall 2023, spring 2024, fall 2024).
3. 80% of the students will graduate with their starting program cohort.
4. 80% of the students who complete the program will secure employment in a professional nursing role that requires a minimum of a BSN credential.

Career Opportunities and Earning Potential

According to the American Association of Colleges of Nursing, approximately 44 percent of hospitals and other health care employers require new nurses to possess a BSN degree, while employers overall express a *strong preference* for nurses with BSNs.

BSN nurses have better professional opportunities, enhanced credibility, and increased earning potential. They are also eligible for multiple opportunities, including direct patient care, education, management, and public health nursing, and may specialize in various inpatient/outpatient services.

Fast Facts about the Program

Type: Academic

Location: Central campus

Degree: Bachelor of Science in Nursing (RN-to-BSN)

Duration: One year, after Core courses

Additional Information

Prerequisite Coursework*:

- Mathematics course from the Core Curriculum (The BSN program recommends students choose MATH 1342 Elementary Statistical Methods (Statistics) for this requirement.)
- CHEM 1305 Introductory Chemistry I (lecture)/CHEM 1105 Introductory Chemistry I (lab)
or CHEM 1311 General Chemistry I (lecture)/CHEM 1111 General Chemistry I (lab)
- BIOL 1322 Nutrition and Diet Therapy

*Note: Prospective students are encouraged to complete all academic courses prior to entry into the nursing program.

Curriculum Pathway

Associate Degree Nursing Courses Accepted as Transfer	34 Credit Hours
General Education Courses	45 Total Credit Hours
Pre-requisite Courses for BSN	10 Credit Hours
<u>Upper-level Nursing Courses</u>	<u>31 Credit Hours</u>

Total Hours for Degree Hours **120 Semester Credit Hours**

Requirements

The College requires that students adhere to the following list for entry into the RN-to-BSN program:

- Completed AAS in Nursing from an accredited institution;
- Hold an unencumbered, Texas RN license. License must be valid through the program duration;
- Be currently employed as a professional nurse (Letter from Employer required);
- Maintain a cumulative GPA 2.5 on a 4.0 scale;
- Reflect a grade of C in all previous nursing and science transfer courses; and
- Submit one recommendation letter from employer supervisor or former nursing faculty.

Students may see other admission information on the San Jacinto College BSN webpage (<https://www.sanjac.edu/programs/areas-of-study/health/nursing/>).

In accordance with Texas House Bill 1508, the College informs all students in this program who may have a criminal background that a criminal history could keep graduates from being licensed by the state of Texas. Students with any questions about their background and licensure may speak with the Department Chair.

Students enrolling into San Jacinto College programs with external learning experiences (i.e., clinical, practicum, externship, cooperative, etc.) will be required to comply with the immunization requirements and policies of the clinical/external learning sites to engage in all clinical/external learning experiences. Vaccination requirements at clinical/external learning sites are implemented pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by clinical/external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the clinical/external learning site.

Plan of Study (Degree Plan)

BSN-NURS

First Year

Prerequisites	Credits
Transfer Courses (34 SCH) ¹	34
Select 34 SCH from the following:	
RNSG 1413 Foundations for Nursing Practice	

RNSG 1105	Nursing Skills I	
RNSG 1215	Health Assessment
