

NURSING, BACHELOR OF SCIENCE (RN-TO-BSN)

Admission REQUIREMENTS

The College requires that students adhere to the following list for entry into the RN-to-BSN program:

- Completed AAS in Nursing from an accredited institution;
- Hold an unencumbered, Texas RN license. License must be valid through the program duration;
- Be currently employed as a professional nurse (Letter from Employer required);
- Maintain a cumulative GPA 2.5 on a 4.0 scale;
- Reflect a grade of C in all previous nursing and science transfer courses; and
- Submit one recommendation letter from employer supervisor or former nursing faculty.

Students may see other admission information on the San Jacinto College BSN webpage (<https://www.sanjac.edu/programs/areas-of-study/health/nursing/bsn/>).

In accordance with Texas House Bill 1508, the College informs all students in this program who may have a criminal background that a criminal history could keep graduates from being licensed by the state of Texas. Students with any questions about their background and licensure may speak with the Department Chair.

Students enrolling into San Jacinto College programs with external learning experiences (i.e., clinical, practicum, externship, cooperative, etc.) will be required to comply with the immunization requirements and policies of the clinical/external learning sites to engage in all clinical/external learning experiences. Vaccination requirements at clinical/external learning sites are implemented pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by clinical/external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the clinical/external learning site.
