

# CRIMINAL JUSTICE, ASSOCIATE OF APPLIED SCIENCE

## Program Information

Do you desire to make the world a better and safer place? Do you believe in justice and protection? If so, studying criminal justice at San Jacinto College is an excellent place to begin.

Our program prepares you for a variety of exciting and meaningful careers—law enforcement, emergency management, homeland security, corrections, probation, parole, and even social work. We offer a degree plan that prepares you for a career in criminal justice—one of the most popular, fascinating, and fastest growing fields. Choose this path, and you will be serving society with a chance to make the world a better place.

The San Jacinto College Criminal Justice program:

- Offers students a career that gives back to their community. When you study criminal justice at San Jacinto College, you are supporting safety as you train to serve as a professional in the criminal justice field;
- Prepares students to specialize in studies for their long-term goals that can lead to rewarding careers in social work, the FBI, pre-law, homeland security, and emergency management; and
- Is best for those individuals who want to pursue a challenging career in a criminal justice profession. Criminal justice is today's *new* liberal arts degree.

## Additional Information

The Associate of Applied Science (AAS) degree offers the educational foundation needed in policing, social work, corrections, probation, and parole. In addition, the program has certificates that focus on educational direction and are centered around professional fields.

Working police officers who have completed a basic police academy and passed the state's licensing exam may be eligible to earn credit for prior learning through San Jacinto College once they complete at least one credit hour in Criminal Justice courses. Students may contact the Department Chair for more information.

## Information

Criminal Justice is an interdisciplinary program with enough flexibility to permit students to pursue diverse interest within the system. For example, an Associate of Arts (AA) in Social and Behavioral Sciences allows students interested in social work, probation, parole, law, or law enforcement to have a foundational understanding before transfer to the university for a Bachelor of Arts (BA) degree. Students directed toward probation, parole, or corrections work are advised to select courses from the transfer core. Students seeking an Associate of Applied Science (AAS) in Criminal Justice have the opportunity to earn three certificates on the pathway to that degree. The AAS transfers to a Bachelor of Applied Arts and Science (BAAS) degree at many universities.

Students enrolling in San Jacinto College programs with external learning experiences (e.g., internship, externship, cooperative, etc.) will be required to comply with the immunization requirements and policies of the external learning sites to engage in all external learning experiences. Vaccination requirements at external learning sites are implemented

pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the external learning site.

## Social and Behavioral Sciences Associate of Arts Degree University Transfer Plan

### Central and North Campuses

Students pursuing a four-year Bachelor of Arts (BA) degree should enroll in the Social and Behavioral Sciences Associate of Arts (AA) (<https://publications.sanjac.edu/areas-study/social-behavioral-science/social-behavioral-sciences-aa/>) degree plan for a maximum of transferable credit. The AA is a 60-credit hour program, which may include the following courses in the major:

Code	Title	Credits
CRIJ 1301	Introduction to Criminal Justice	3
CRIJ 1306	Court Systems and Practices	3
CRIJ 1310	Fundamentals of Criminal Law	3
CRIJ 2313	Correctional Systems and Practices	3
CRIJ 2328	Police Systems and Practices	3

All students considering transfer should consult with a counselor regarding the specific requirements of various universities for this plan of study.

## Admission

No admission requirements.

Job entry requirements:

Some occupations in the criminal justice field require applicants to pass a background investigation, psychological exam, drug test, and physical examination. Those entering law enforcement must pass all of the above as well as have no Class A or above convictions or no Class B convictions in the past 10 years.

In accordance with Texas House Bill 1508, the College informs all students in this program who may have a criminal background that a criminal history could keep graduates from being licensed by the state of Texas. Students with any questions about their background and licensure may speak with the Department Chair.

## Plan of Study

3CRIJ

First Term	Credits
CRIJ 1301/ CJSA 1322	Introduction to Criminal Justice 3
