

CRIMINAL JUSTICE, ASSOCIATE OF APPLIED SCIENCE

CRIJ 2313	Correctional Systems and Practices	3
CRIJ 2328	Police Systems and Practices	3

All students considering transfer should consult with a counselor regarding the specific requirements of various universities for this major.

Information

Criminal Justice is an interdisciplinary program with enough flexibility to permit students to pursue diverse interest within the system. For example, an Associate of Arts (AA) allows students interested in social work, probation, parole, law, or law enforcement to have a foundational understanding before transfer to the university for a Bachelor of Arts (BA) degree. Students directed toward probation, parole, or corrections work are advised to select courses from the transfer core. Students seeking an Associate of Applied Science (AAS) in Criminal Justice have the opportunity to earn three certificates on the pathway to that degree. The AAS transfers to a Bachelor of Applied Arts and Science (BAAS) degree at many universities.

Students enrolling into San Jacinto College programs with external learning experiences (i.e., clinical, practicum, externship, cooperative, etc.) will be required to comply with the immunization requirements and policies of the clinical/external learning sites to engage in all clinical/external learning experiences. Vaccination requirements at clinical/external learning sites are implemented pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by clinical/external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the clinical/external learning site.
