Learning & Career Pathway

The Eyelash Extensions Specialist, Institutional Credential Leading to Licensure or Certification (ICLC) is intended to provide students with all skills needed to enter the workforce. At this time, this award is what employers value and hire for job entry, so the College does not currently have other certificates or degrees related to this learning pathway.

Learning Outcomes and Career Skills

This learning pathway - a series of related and "stacked" certificates and degrees - includes the following awards. You can start at any point on the path and earn certificates on your way to completing the degree.

- Eyelash Extension Specialist, ICLC (p. 1) (3 months)
- Cosmetology Operator, Level 2 Certificate (https://publications.sanjac.edu/areas-study/public-safety-human-consumer-services/cosmetology-operator-level-2-certificate/) (2 years)
- Cosmetology Operator, Associate of Applied Science (https://publications.sanjac.edu/areas-study/public-safety-human-consumer-services/cosmetology-operator-aas/) (2 years)

Licensure or Certification

The Cosmetology Operator Certificate of Technology is a course of study designed to meet the needs of those students who desire to enter the beauty industry in a minimum amount of time. The program will provide the student with the technical background and experience necessary to develop the skills and theoretical knowledge required to pass the Texas Department of Licensing and Regulations Examination for licensing and to gain entry-level employment in professional salons. Full-time students can earn the Certificate of Technology in one year. All key aspects of the cosmetology profession are addressed.

For more information about requirements, students may visit the Texas Department of Licensing and Regulation (https://www.tdlr.texas.gov/barbering-and-cosmetology/).
