

ENGINEERING, ASSOCIATE OF SCIENCE IN ENGINEERING

College Admission

San Jacinto College is an open admission institution. All students are welcome to apply and will be admitted to the College. You may begin the process on the College's "How to Apply (<https://www.sanjac.edu/admissions/how-to-apply/>)" webpage.

Program Admission

In addition to being admitted to the College, students must also be admitted to the Engineering, ASE which has additional requirements and/or steps.

The College recommends students seek the advice of an educational planner and an engineering faculty member or Department Chair. Students who complete the AS in Engineering will be required to meet any and all entrance requirements of the receiving institution, including grade point averages and/or testing requirements.
