

ENGINEERING DESIGN GRAPHICS PETRO/ INDUSTRIAL SPECIALTY, LEVEL 2 CERTIFICATE

Information

San Jacinto College offers four Level 2 Certificates, including: Architectural/Civil/Structural, General, Mechanical, and Petro/Industrial. The Level 2 Certificate is comprised of 45 semester credit hours (SCH) of Engineering Design Graphics (EDG) technical coursework, three (3) SCH of mathematics, and three (3) SCH of Speech for a total of 51 SCH. This is a fast-track award for those wishing to concentrate their studies in EDG and enter the job market as soon as possible.

Students enrolling into San Jacinto College programs with external learning experiences (i.e., clinical, practicum, externship, cooperative, etc.) will be required to comply with the immunization requirements and policies of the clinical/external learning sites to engage in all clinical/external learning experiences. Vaccination requirements at clinical/external learning sites are implemented pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by clinical/external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the clinical/external learning site.
