6. Official Transcripts must be submitted with the application packet.

- a. Applicants must submit official transcripts from all colleges previously attended; transcripts should be mailed directly to the Central Campus Office of Enrollment Services. Transcripts should be requested as soon as possible. Applicants are encouraged to begin accessing their transcripts early in the application process to ensure that all required documents are available for review. All course work taken outside of San Jacinto College is required to be evaluated for transferability of credits towards the ADN degree.
- b. The College requires a minimum cumulative GPA of 2.5 for all applicants.
- c. Students must submit all official transcripts sealed from other colleges and San Jacinto College unofficial transcripts with the ADN application.

7. HESI A2 Admissions Test

Applicants seeking admissions must take an official Nursing Admissions Assessment Exam (HESI A2). A composite score of 75 percent in EACH section of **reading comprehension, grammar, vocabulary, anatomy and physiology, and math is required**. The learning styles and critical thinking sections are required, but **will not** be used in determining admissions. Submit all HESI A2 admissions test scores with the ADN application packet. Students should request official test scores as soon as possible. Students may visit the **Prometric Testing Centers** for test dates on **Central Campus TESTING ID: 198971** or the [ADN Nursing North](#) website for the test dates on North campus.

10. Additional clinical requirements. Evidence of completing the American Heart Association (AHA) CPR and Immunization requirements must be uploaded to the CastleBranch website. Students may see the [ADN webpage](#) for additional information regarding uploading the documents to CastleBranch.

In order for an ADN application to be accepted, students must have completed a minimum of:

- a. CPR - from the American Heart Association Health Care Provider (online courses are not accepted); Copy of CPR Card to be uploaded to CastleBranch;
- b. Varicella Immunization #1, #2, and a positive titer;
- c. Hepatitis B series and a positive titer;
- d. Hepatitis C titer (negative titer);
- e. Or TWINRIX series completed and a positive titer;

SJC Immunization Statement

Students enrolling into San Jacinto College programs with external learning experiences (i.e., clinical, practicum, externship, cooperative, etc.) will be required to comply with the immunization requirements and policies of the clinical/external learning sites to engage in all clinical/external learning experiences. Vaccination requirements at clinical/external learning sites are implemented pursuant to the independent authority of such facilities and are not mandated by San Jacinto College. Failure to meet the immunization requirements mandated by clinical/external learning sites may limit a student's ability to complete the program and/or may delay the student's graduation date. San Jacinto College does not process exemptions, and students should address potential vaccination exemptions directly with the clinical/external learning site.
