

Credit for Prior Learning (CPL) Inspection Technologies

Original table

Inspection Technologies		
Course Code	Course Name	Licensure or Industry Certification
METL 1313	Introduction to Corrosion	NACE Corrosion Technician Basic 1 (or higher) Course Certificate or Certification, or NACE Cathodic Protection Tester Level 1 (or higher), Course Certificate or Certification.
NDTE 1301	Film Interpretations of Weldments	ASNT Level II: Radiographic Film Interpretation; or AWS Certified Radiographic Interpreter; or NAS 410/MIL-STD-410E RT Film Level 2 Certification
NDTE 1405	Introduction to Ultrasonic Testing Level 1 & 2	ASNT UT Level II Certification; or NAS 410/MIL-STD-410E UT Level 2 Certification (or higher); or API QUTE, or API QUPA, or API QUSE Certification
NDTE 1410	Liquid Penetrant, Magnetic Particle & Visual Testing	Combination of both a MT & PT Certification from any combination of the following: ASNT Level II Certification or NAS 410/MIL-STD-410E Level 2 Certification (or higher)
NDTE 1440	Eddy Current Testing	ASNT ET Level II Certification (or higher)
NDTE 1454	Intermediate Ultrasonics: Flaw Detection and Sizing	ASNT UT Level III Certification; or API QUTE, or API QUPA, or API QUSE Certification
NDTE 2401	Advanced Ultrasonics	API QUPA Certification
NDTE 2411	Prep for Certified Weld Inspector Exam	AWS CWI, or CAWI, or SCWI Certification; or API 577 Welding Inspection & Metallurgy Certification

Inspection Technologies		
Course Code	Course Name	Licensure or Industry Certification
METL 1313	Introduction to Corrosion	NACE Corrosion Technician Basic 1 (or higher) Course Certificate or Certification, or NACE Cathodic Protection Tester Level 1 (or higher), Course Certificate or Certification.
NDTE 1301	Film Interpretations of Weldments	American Society for Nondestructive Testing, ASNT NDT/ACCP, or ASNT SNT-TC-1A Level II or III Certification or Course Certificate for: Radiographic Film Interpreter. or American Welding Society - Certified Radiographic Interpreter (CRI) Course Certificate or CRI Certification
NDTE 1405	Introduction to Ultrasonic Testing Level 1 & 2	American Society for Nondestructive Testing, ASNT NDT/ACCP, or ASNT SNT-TC-1A Level II or III Course Certificates or Certification for: UT - Ultrasonic Testing
NDTE 1410	Liquid Penetrant, Magnetic Particle & Visual Testing	American Society for Nondestructive Testing, ASNT NDT/ACCP, or ASNT SNT-TC-1A Level II or III Course Certificates or Certification for: PT - Liquid Penetrant, and MT - Magnetic Particle Inspection
NDTE 1440	Eddy Current Testing	American Society for Nondestructive Testing, ASNT NDT/ACCP, or ASNT SNT-TC-1A Level II or III Course Certificate or Certification for: ET - Eddy Current Testing
NDTE 1454	Intermediate Ultrasonics: Flaw Detection and Sizing	American Society for Nondestructive Testing, ASNT NDT/ACCP, or ASNT SNT-TC-1A Level II or III, or American Petroleum Institute (API), Individual Certification Programs (ICP) Certification or course completion certificate for: Phased Array Ultrasonic Testing
NDTE 2401	Advanced Ultrasonics	American Society for Nondestructive Testing, ASNT NDT/ACCP, or ASNT SNT-TC-1A Level II or III, or American Petroleum Institute (API), Individual Certification Programs (ICP) Certification or course completion certificate for: Phased Array Ultrasonic Testing
NDTE 2411	Prep for Certified Weld Inspector Exam	American Welding Society - Certified Welding Inspector Certification (CWI), Certified Associate Welding Inspector Certification (CAWI), Senior Certified Welding Inspector Certification (SCWI), or Certified Welding Inspector Course Certificate
