

INSTRUCTIONAL METHOD

Course Modalities

Banner instructional mode =

Competency Based education (CBE): All instruction and class activities are fully online. Progression through the course is determined by the student's mastery of the competencies assigned to that course.

Banner instructional mode = BBF

Face-to-face: All instruction occurs with students and faculty at the same San Jacinto College approved instructional location.

Banner instructional mode = BBH

Hybrid: The majority of instruction will occur online and the remainder will require students and faculty at the same San Jacinto College approved instructional location.

Banner instructional mode = BBI

Online Anytime: All instruction and class activities are fully online without required class meetings. Weekly assignments and activities are required. Proctored exams may be required.
