The College highly recommends that students speak with a faculty advisor as early as possible. Options vary based on College campus offerings and individual goals.

ARTS 1301 Art Appreciation does not transfer into an Art & Design BFA program. Art History is required to fulfill the Creative Arts Core (see #3 below).

And & Design BFA programs require both ARTS 1303 Art History I (Prehistoric to the 14th century) and ARTS 1304 Art History II (14th century to the present), which are non-sequential. The first course successfully completed will fulfill the Creative Arts Core requirement; the second will count towards the Transfer Path requirement.
