

TECHNOLOGY EXPECTATIONS FOR STUDENTS

Courses at San Jacinto College will require the use of some or all of the following:

- Computer with Internet access (computers are available on campus for students at campus libraries);
- A San Jacinto College email address;
- Blackboard learning management system;
- Productivity software: word processor, presentation tools, spreadsheet, etc.;
- Windows Media Player;
- Adobe Acrobat Reader; and
- Web camera and microphone for Online on a Schedule classes and to support proctored assessments for online courses as required by the faculty.

In addition to the recommended software listed, some courses might require the use of additional software. Students should check the course syllabus to determine what software they may need to access. Students can view the supported browsers and plug-ins that are certified with Blackboard by visiting https://help.blackboard.com/Learn/Student/Original/Getting_Started/Browser_Support/Browser_Checker (https://help.blackboard.com/Learn/Student/Original/Getting_Started/Browser_Support/Browser_Checker/). Students taking exams in the Blackboard system should make arrangements to test on a machine using a hardwired Internet connection to avoid being dropped due to loss of network access during the test.
